POSSESS

THE LAND

MAKING ROOM FOR WHAT GOD HAS PLANNED.

25 ACRES

A RARE OPPORTUNITY TO SECURE LAND THAT COULD SERVE GENERATIONS OF LIONS.

WHY THE LAND?

WHY NOW?

OUR GROWTH HAS CREATED A NEED TO PLAN FOR THE FUTURE.

AN OPPORTUNITY WE CANNOT AFFORD TO OVERLOOK.

The 25 acres adjacent to Unity Christian School are currently being offered for sale. This property represents a rare opportunity to secure the land needed for our campus to grow and serve future generations of Lions.

But this opportunity comes with a sense of urgency.

If Unity is unable to raise the funds necessary to purchase the property, the land could be sold to another buyer. Once that happens, our opportunity to expand our campus onto this adjoining property could be lost permanently.
We are not asking our families to fund new buildings today. We are asking our Unity community to help secure the land that could make those buildings possible someday.

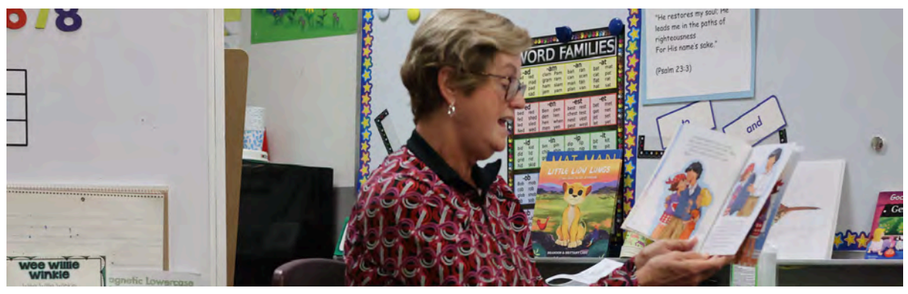

Before we can build for the future, we must first make room for it.

THE CHALLENGES WE SEE TODAY

Our enrollment has grown to the point that our current campus is reaching its limits. While we are grateful for how God has provided, we are experiencing real challenges that require us to plan for the future.

CLASSROOM SPACE

Students from PreK3-12th grade share one main building. We are using portable classrooms for some middle and high school classes, which are not a long-term solution.

FINE ARTS

Our Fine Arts programs have no dedicated performance space, requiring us to rent auditoriums and church facilities for productions and performances. Our students deserve a space to call their own.

ATHLETIC FACILITIES

Many of our teams rely on off-campus facilities for practices and competitions at a significant expense.

CAMPUS LIFE

Parking is increasingly limited and many programs do not have dedicated spaces for gathering, dining or student activities.

A RARE OPPORTUNITY

Our immediate goal is simple: Secure the land. Preserve the opportunity. Prepare for the future.

IMAGINE WHAT COULD BE

POSSIBLE

A VISION FOR THE FUTURE - NOT A CONSTRUCTION PLAN.

IMAGINE WHAT COULD BE

A VISION FOR THE FUTURE. NOT A CONSTRUCTION PLAN.

What could the next generation of Unity Christian School look like?

As we prayerfully consider the future of our campus, we can imagine opportunities to strengthen academics, expand athletic programs, celebrate the fine arts, and create spaces that bring our school community together. These conceptual renderings offer a glimpse of what could one day be possible. They are not approved construction projects or commitments to build.

Today, our focus is not on constructing these facilities. It is on securing the land that could make future opportunities possible.

FIRST THE LAND

THEN THE POSSIBILITIES

A STEP-BY-STEP APPROACH

1 NOW: SECURE THE LAND

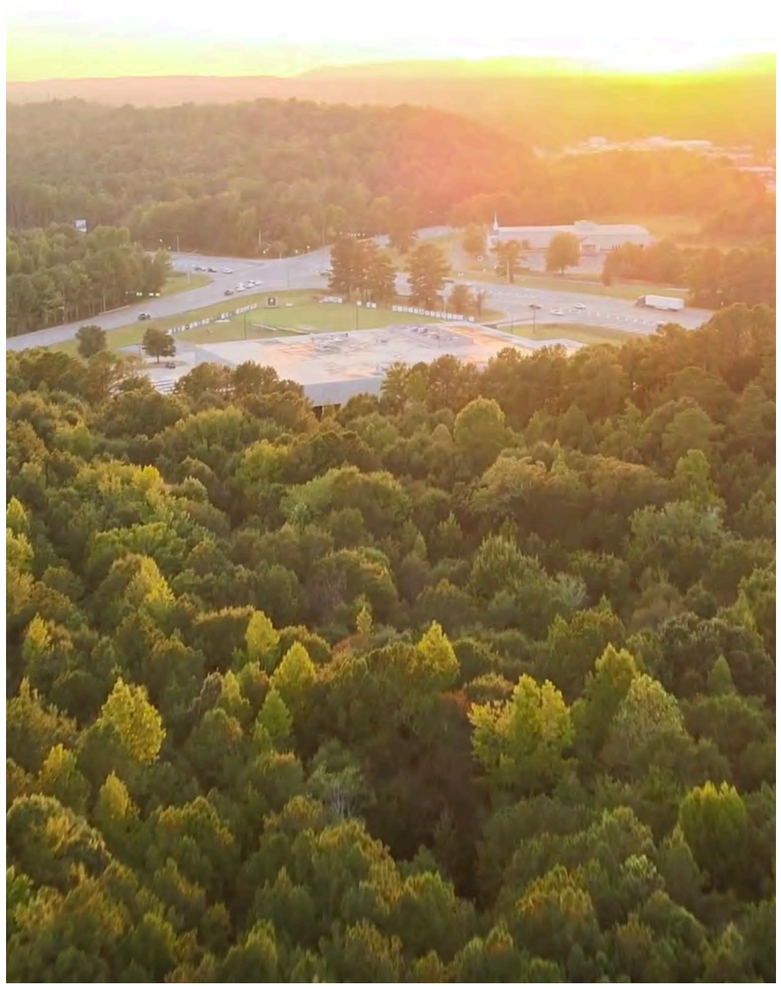

Pursue the opportunity to acquire the 25 additional acres and preserve them for Unity's future.

2 NEXT: PRAY, PLAN & PREPARE

Evaluate the school's evolving needs, resources, and long-term priorities.

3 SOMEDAY: BUILD AS GOD PROVIDES

Consider future facilities only when planning, funding, and circumstances make development appropriate.

BE PART OF WHAT COMES NEXT.

Generations of Unity families have helped build the school we know and love today. Now, we have an opportunity to prepare for the generations still to come.

Every gift brings us one step closer to securing these 25 acres and preserving the possibilities for Unity's future.

Will you prayerfully consider being part of this next chapter?
